

Buddha-Bar Hotel, Prague, 2009

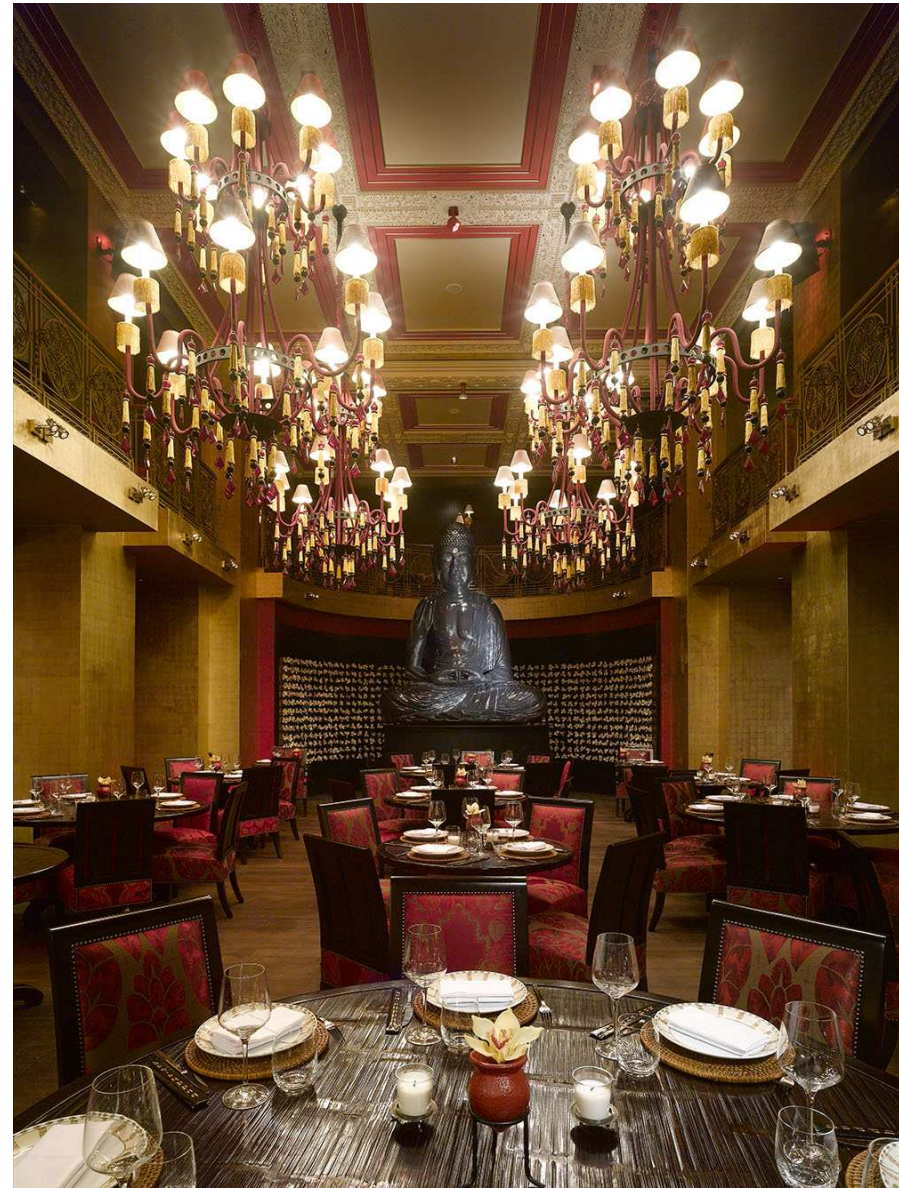

Not just another hotel, it's a lifestyle...

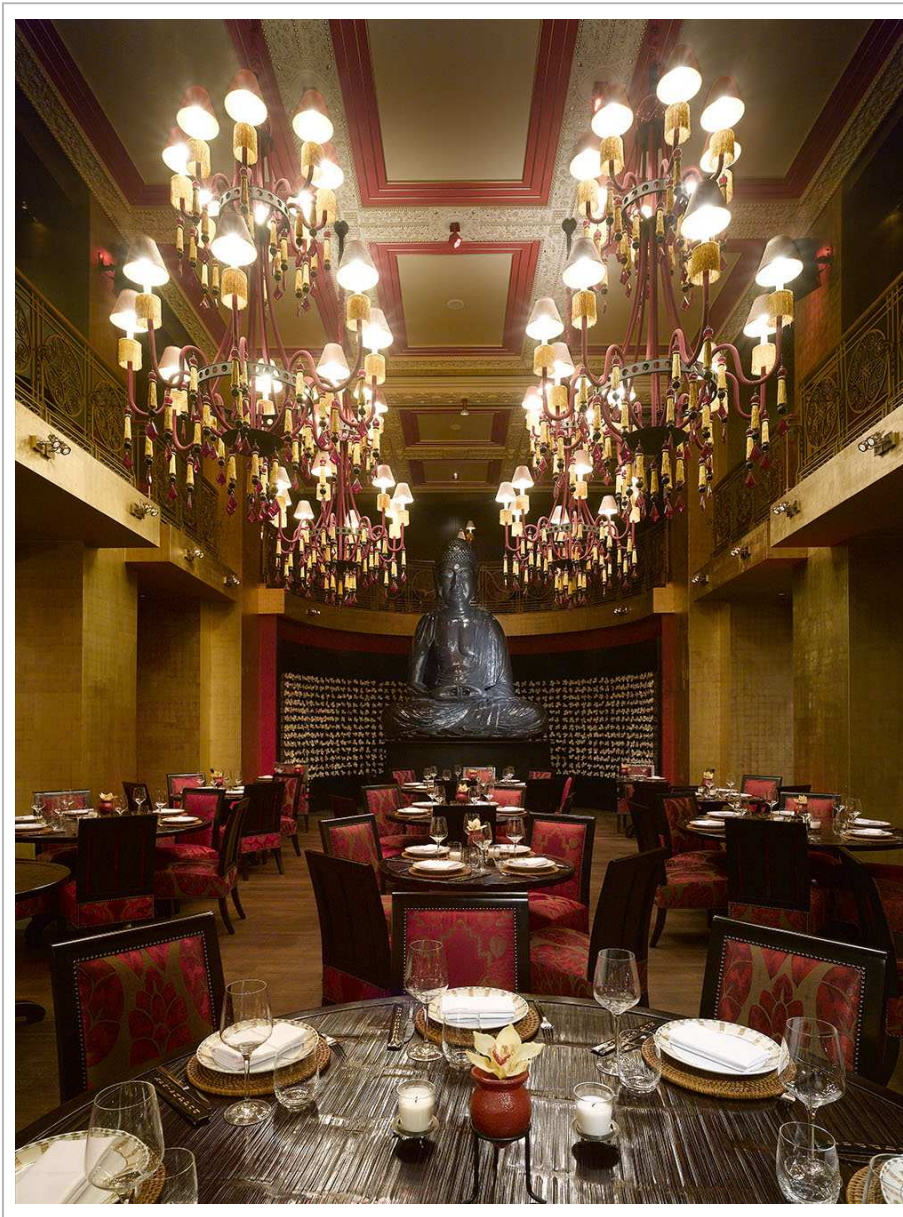

Preciosa designed and manufactured all chandeliers and table lamps situated inside of The Buddha-Bar Hotel, Prague

After Beirut, New York, Dubai, Kiev, Sao Paolo, London and Jakarta, the world famous Parisian restaurant & bar has opened its doors in Prague on January 2nd, 2009.

But for the first time ever, the legendary outlet is located in the heart of the brand new Boutique Hotel concept bearing its name, the Buddha-Bar Hotel, a unique urban resort that will redefine Lifestyle within the Hospitality Industry.

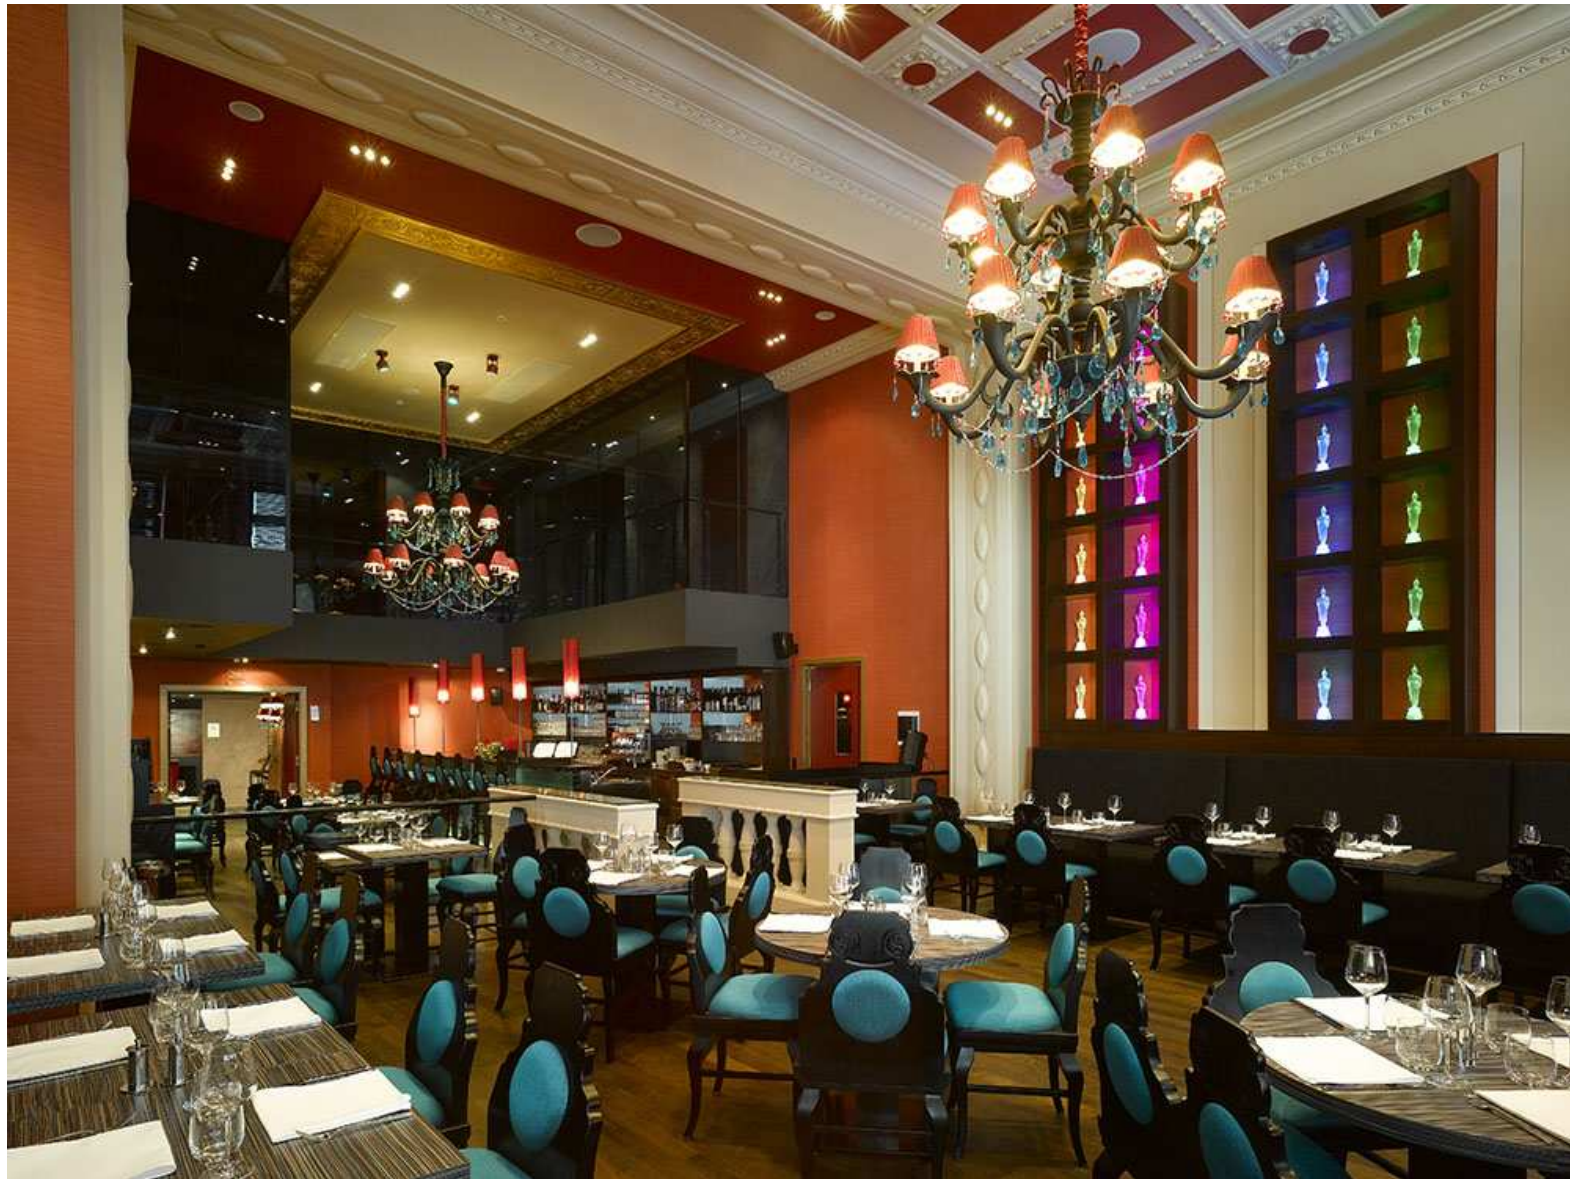

With luxury rooms and exquisite suites, the first Buddha-Bar Hotel emboldens the essence of contemporary modern Asian interior design with French colonial influence and will be located in the heart of Prague, in a historical building just few steps away from the Old Town Square.
